

State IT Project Managers Role

Per MITA

Project Managers for the State IT Project Management Office are responsible for overseeing IT projects that exceed \$250,000 in total cost. As such they are assigned to work with their assigned agency to ensure that the agency has a definitive plan in place to manage any such projects. Contact the PMO by calling (406) 444-0200 or email at

stateitpmo@mt.gov
